

Dear Store Manager/Buyer,

Hi! Have you heard of Heidi Ho? Heidi Ho produces wonderful plant-based cheese alternatives made entirely of real foods! Their cheezes are both nutritious and delicious. Their products are awesome and we would like to see them available in your store(s).

Currently Heidi Ho is available in OR, WA, CA, AZ, HI, NV, OK, AK and TX and is expanding to many great locations all over the country. I am a regular shopper at your store and would like to be able to purchase this product from you!

To obtain more information on their products and learn more about how to order, please contact:
